The **Children's Ministry Director** grows and sustains meaningful relationships with children birth-6th grade and their families to guide their growth in Christian worship, discipleship, mission, and evangelism.

Preferred Qualifications:

- Growing relationship with Jesus Christ; an understanding and willingness to lead others in the Wesleyan tradition of the Christian faith.
- Willingness to develop a working knowledge of social media and software used by church staff.
- Ability to be Ministry Safe certified and maintain timely and effective communication to staff and congregation (required).

Essential Functions:

Worship

- Attend and give leadership to various aspects of weekly worship in partnership with other staff.
- Encourage and facilitate children and their families to attend, participate, and serve in worship services.

Discipleship

- Recruit and equip volunteers to regularly guide the formation of children and their families.
- Work across ministry areas to integrate Children's Ministries into the life of our congregation.

Mission and Evangelism

- Organize, plan and lead children and their families in regular mission activity in local and global contexts including an annual vacation bible school, sports camp, or other similar community wide outreach.
- Model personal evangelism and provide opportunities for children and their families to share why they follow Jesus and how God is working in their lives.

Administration

- Develop, and lead a team of key personnel whose function is to cast a guiding vision, set goals, and offer support for all ministry activities.
- Recruit, supervise, and coordinate scheduling of all Children's Ministry volunteers and nursery staff, ensuring their compliance with Ministry Safe policies.

Other duties in support of the mission of the church, as assigned.
